CLOISTER POST NO. 429

PO BOX 337 — EPHRATA, PA

13 MAR 16

I am the Commander of our post and would like to take this opportunity to express our complete satisfaction with our S.O.S. POS system. Since this system was installed, our Bookkeeping , Merchandise, Inventory , Bar and Restaurant services have become greatly streamlined and more efficient. This has led to greater customer service and satisfaction. Any time we had a service question or software correction we asked for, the POS service personnel were only a phone call away and solved any situation benefitting us greatly. Any corrections or new legal policies that had to be indicated, were brought to our attention and greatly appreciated. Al and his team our the best and we couldn't asked for a better system and service. Thanks again.
David L. Dreibelbis, all the Board Members and all the employees of the Ephrata American Legion

Sincerely,

David L. Dreibelbis
Commander
